Player of the Season : Tim Clays (Wigan Knights) 10 out of 12.

Well done to all the teams taking part in this season's Fresher's League.

The final play-offs took place at St Helens, and it all came down to a nail-biting finish !

Wigan Knights took the first round 6-5 , then Winwick took the second round by the same score. It was all down to the last round, and, after Winwick edging the first game and Knights edging the second, it was then down to the last game with Winwick needing to win, Knights needing a draw. In the end, Colin Mather gained a win to ensure a tightly-contested battle was won by his team.

In the third/fourth play-off, Ormskirk got off to an excellent start by winning the first round 9-5, then built on it to take the second round by the same score. A good fightback by St Helens saw them draw the last round, but Ormskirk had already gained sufficient points to win the play-off and secure 3rd place in the league.

After the matches, there was a short presentation and a discussion about the league in general. There were many positive comments, in particular that the handicapping system had worked well, and that the league had helped players who wouldn't normally have had so many games available to them, to gain more experience and to feel more involved with their club and league.

On the night, it was noted that 7 out of the 12 players had estimated grades, indicating that they were either new to Chess, or returning after a break.

Also, it was recognised that the league is titled as such because it presents opportunities to people new or returning to Chess whilst also expecting that teams will consist of more experienced players that are there to help others develop.

In addition, it enables any player arriving at a club during the season, to become involved with the league.

Well done to all who participated in the league this season, and who contributed to such an enjoyable, friendly atmosphere.
